

SMARTRIDER GUIDE

Newton Moore Education Support Centre students require a student ID/Library Card. The ID card, similar to the one displayed below, will have several functions.

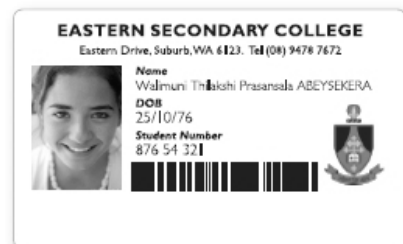

One side of the card will be the SmartRider card which enables students to access concession travel on TransBunbury bus services, TransPerth bus, rail and ferry services, and TRANSWA country road and rail services.

The reverse side of the card will allow students to borrow school text books and resources from the library and reset their computer passwords. It must also be used when purchasing tickets for

school socials, and for ID when entering school socials. Cinemas will also accept it as proof of student status.

The School ID / Smart Card is part of your personal items and appears on your Contributions and Charges Sheet. The cost of this card is \$3.00. Replacement cards will also cost \$3.00.

NOTE: The card production is outsourced and the company will need to access information about your child from the school database. This includes name, address and date of birth.

ONLY complete and return to the school if you **DO NOT** wish your child to be issued with an ID Card:
